Breakdown or involved in a road traffic collision on a motorway in France or Mainland Europe

Motorways in France and many other European countries are privately managed. If the **vehicle breaks down** or is involved in a **road traffic collision** on a French motorway, motorway service area, or other European private motorway, **you** must use the roadside emergency telephones as **we** cannot send assistance. If the **vehicle** is recovered by the police or authorised motorway services, **you** may have to pay labour and towing charges on the spot and a standard tariff is normally applied.

We will **reimburse** these charges as long as the **vehicle** is towed to the recovery company's depot. This may also apply to other roads, so **we** recommend **you** use the emergency phones where available. If they will not send a breakdown recovery vehicle, **you** should contact **us**.

If **you** do, and in **our** reasonable opinion that would lead to additional costs being incurred, **we** reserve the right to refuse to provide cover under Section F3 (Onward travel in Europe) or Section F4 (Getting the vehicle home);
 - If the **breakdown** or **road traffic collision** is caused by flooding brought about by adverse weather **we** will only arrange for the **vehicle** to be taken to a local repairer. All further service will be an additional cost paid by **you**, or must be referred to the **vehicle's** motor insurer;
 - In handling **breakdown call-outs** there may be more than one option available to **you** under this **group policy**. **We** will decide which is the most appropriate option based on **our** expertise in breakdown situations. - You** must pay **your** premium.
- You** must request services directly from **us**, as **we** will only provide cover if **we** make arrangements to help **you**.
- Where the **breakdown** is caused by a component failure this must stop the **vehicle** from working, so for example an air-conditioning failure in itself does not constitute a **breakdown**, and the illumination of a warning light does not always constitute a **breakdown**. If it does not, **you** will need to take the **vehicle** to a place of repair and this **group policy** will not cover this.
- We** will not cover any **claim** where the **vehicle** is already at a garage or other place of repair.
- Where **we** deem, acting reasonably, that **you** requested service to avoid the cost of repairing the **vehicle**, or to correct an attempted repair by someone else, **we** will not provide cover.
- A **member** must be with the **vehicle** when **we** attend.
- You** are responsible at all times for the care of **your** personal belongings, valuables, luggage and goods in or on a **vehicle**. **We** will not be responsible for any loss of or damage to them.
- Where **we** recover **passengers** under the age of 16, they must be accompanied by an adult.
- We** will not allow animals in **our** vehicles, except guide dogs. Any animals can remain in the **vehicle** at the **member's** own risk. **We** will not be liable for any injury to animals, or damage caused by them. **We** will not transport any livestock. **We** will not be responsible for any costs relating to animals.
- The **vehicle** must not carry more passengers than the number stated in the **vehicle's** registration document. Each **passenger** must have a separate fixed seat fitted to the manufacturer's specification and any child must occupy a properly fitted child seat.
- Where **we** provide a repair to the **vehicle**, whilst **we** are responsible for that repair, this does not mean that **we** are confirming the legal and roadworthy condition of the **vehicle**. This remains **your** responsibility.

12. We will not be responsible for any losses that may incur following a **breakdown** that are not expressly covered by this **group policy**. For example, we will not pay for any loss of earnings or missed appointments.
13. We do not guarantee that recovery to any garage will be during opening hours, or that repairs can start immediately. Whilst we will try to check that the garage will undertake the type of repairs required, we cannot guarantee this. We will not take responsibility for repairs carried out at any garage and the contract for such repairs will be between you and the garage / repairer.
14. During extreme weather, riots, war, civil unrest, industrial disputes, our services can be interrupted. We will resume our service to you as soon as we can in these circumstances.
15. The cost of the following is not covered by this **group policy**:
 - a) **specialist equipment**;
 - b) tolls, ferries or congestion charges for the **vehicle** and our vehicle;
 - c) any damage to glass even if the damage means the **vehicle** cannot be legally or safely driven. We will arrange transport to a local garage so you can arrange to get the **vehicle** fixed but you will have to pay for this;
 - d) spare tyres and wheels and repairing or sourcing them;
 - e) recovery by someone other than us even if this is requested by the emergency services; or
 - f) we will only provide recovery once instructed to do so by the emergency services.
16. In handling any **claim** there may be more than one option available to the **member** under this **group policy**. We will decide which is the most appropriate option based on our expertise in **breakdown** situations. In doing so we will act in consultation with the **member**, and act reasonably at all times.
17. The **vehicle** must be privately owned and only used for private use, or any business use other than hire and reward and/or courier services.
18. This **group policy** does not cover:
 - a) routine servicing, maintenance or assembly of the **vehicle**;
 - b) **caravan** or **trailers**, except as described under Section A;
 - c) use of the **vehicle** for business, including for example demonstrating, carrying trade plates;
 - d) **breakdowns** resulting from activities that are not subject to the normal rules of the road for example rallies, stock car racing, use of the Nürburgring or other formal or informal race events;
 - e) **breakdowns** that occur off the public highway to which the **member** or we have no legal access;
 - f) the **vehicle** if it is not legally taxed, insured and holding a valid MOT which is required by law or is not being used in line with the manufacturer's guidelines;
 - g) **vehicles** that are not in a roadworthy condition. If we consider, acting reasonably, that the **vehicle** is not in a legal or roadworthy condition, we can refuse to provide service. If you can demonstrate that the **vehicle** is roadworthy we will provide service;
 - h) any **claim** that is or may be affected by the influence of alcohol or drugs;
 - i) any **breakdown** that is caused by or as a result of **vehicle** theft or fire; or
 - j) any **claim** under this **group policy** where the **breakdown** was first reported to us under a different policy.
19. If the **member** is asked to review and approve a document recording the condition of the **vehicle**, including an electronic form, it is their responsibility to ensure that the record is accurate and complete, and we will not be responsible for any errors or omissions.

Additional Benefits

The following are provided at no additional charge:

Service in the Republic of Ireland

If the **vehicle** has **broken down** in the Republic of Ireland, we will provide a Roadside attendance service only, as described under Section A (Roadside). If your **home** address is in Northern Ireland and you have purchased Section C (Recovery), we will recover the **vehicle** to your **home**, or to another destination in Northern Ireland if the distance is less.

Urgent message relay

If the **vehicle** has **broken down** and the **member** needs to get in touch with friends and family urgently, we will get a message to them.

Replacement driver

If the **member** becomes ill during a journey in the **UK** and no one within the party can drive the **vehicle**, we may be able to provide a replacement driver.

This service is discretionary, and we will decide whether or not to provide this service.

Additional services

We can provide additional services that are not included in your **group policy** but we will charge you for these, for example to:

1. Purchase the parts you need to get on your way;
2. Pay for **specialist equipment** to complete the repairs;
3. Extend the hire time for a replacement car; or
4. Arrange a second or extended recovery.

If you need extra help, we will agree the costs up front and will need full payment before we can help. You will be responsible for any additional charges so if we help you under this **group policy** and cannot pay, we will invoice you. This is why we request proof of identity at the **breakdown**.

Cancellation of your policy

In the event that you need to cancel this **policy** please contact the Federation Office.

Misuse of this policy

Each **member** must not behave inappropriately towards us, including acting in a threatening or abusive manner, whether verbally or physically.

If this condition is not complied with, we will contact the **member** to discuss our concerns and if the concerns are not dealt with within a reasonable period of time or cannot be dealt with we reserve the right to refuse cover under this **group policy** with immediate effect.

We will notify the **member** in writing in the event that we decide to take any action.
